## **INTRODUCTION**

Behind every bondage, affliction, torment and demonic influence is witchcraft. A good understanding of the activities of the spirit of witchcraft in the human experience will help us know how to deal with it. A lot of people are going through untold pains and troubles today because they do not understand the operation of this anti-destiny enemy of mankind. This is why this book has been put together for your deliverance from this daily enemy of ours.

Over the last twenty years in Spiritual Warfare and Deliverance Ministry, I have come to the simple conclusion that if we are to properly deal with the spirit of witchcraft which daily attacks our destinies, we will become successful in every area of our lives, no matter which part of the world we choose to live in. But the mere mention of witchcraft strikes and creates fear of danger in the hearts of men and women. Therefore, this public enemy number one, conquered by our Master and Lord Jesus Christ, continues to operate against mankind without any form of challenge.

## **WHAT IS WITCHCRAFT?**

My approach to this topic may differ from what you already know. Witchcraft has been defined and described variously by different people, depending on their experiences. This has given rise to the classification of witchcraft into black, white and red witches, with different functions attached to their names. However, the truth is that there is no good witch, whether white, black or red.

The devil is evil and nothing good can come from him. Therefore, the spirit of witchcraft is an evil spirit empowered by Satan to manipulate the affairs of men on earth, with the ultimate aim of inflicting sufferings and pains and even death on them. Mankind has always appeared helpless in the absence of proper knowledge and understanding on how to deal with witchcraft. To further deceive the world, Satan has even taught man to subdivide witchcraft into white, black and red witches.

The white witch is believed to be good and helpful, as found in the godmother fairy stories. But this is another form of Satan's manipulations to get mankind to believe that this Satanic department can assist humans when they are in trouble. People, especially young children have been made to admire these evil personalities in the stories they read about the "good mother witches". The stories are usually about someone who gets into trouble with monsters or things like that, and just from nowhere this old woman appears and comes to the rescue of the one in trouble.

The black witch is seen to be completely evil and is responsible for all the wicked deeds and actions in the demonic world. The red witch is the department concerned with the occult world and the evils therein. Things like road accidents and other methods of blood-shed are attributed to red witchcraft.

For your information, Witchcraft is the special department in the Satanic kingdom charged with the manipulation of mankind. This is the spirit which clearly shows the subtle character of Satan. The spirit of Witchcraft manifests the real nature of Satan, and shows who he really is, an undercover wicked being.

From the beginning, Satan has operated with deception and hates to be seen in the open. When he appeared in the Garden of Eden, he took the form of a serpent and engaged mother Eve in a discussion. He deceived and manipulated her to eat the fruit which God had commanded Adam and herself not to eat. If Satan had announced his presence and made his intention known to Eve, she would have sent him out of the garden. But no, he had come just as a concerned creature who had questions that he needed answers to. In fact he needed certain clarifications about what God the Father had actually commanded Adam and Eve to do.

## **THE SATANIC KINGDOM**

According to Eph. 6:12, "... we do not wrestle against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this age, against spiritual hosts of wickedness in the heavenly places".

This scripture outlines the four departments of the satanic kingdom, excluding Satan himself, who is the President-General of the kingdom of darkness. According to the description above, we have the principalities, powers, rulers and spiritual wickedness in high places.

Principalities are entities assigned to various continents of the world, and sit with Satan in their meetings to plan strategies concerning how to deal with humanity. Powers are entities assigned to influence men and women in authority to obey the instructions of the powers.

However, these two departments cannot be effective without the support and the activities of the spiritual wickedness in high places. This is the department where the spirit of witchcraft functions. This department is empowered by Satan with his deceptive and subtle manipulations to woo and get men to obey him without any knowledge that Satan is behind what is happening. Witchcraft department paves way for Satan's other activities to effectively take place without detection.

The Satanic kingdom plans to destroy humanity and the Witchcraft department makes sure that humanity is available for destruction. This department reaches and operates at the grass root levels of the human race. The family is its major target, and sometimes a whole community is affected by its wicked and destructive activities.

Satan knows that the family is the pivot of the society and seeks to capture it through his deceptive manipulations. Once this is achieved, society hardly has any hope of survival. It is a known fact that many of our problems started from the family, and to make any meaningful breakthrough in life, one needs to possess a good knowledge of his or her family background. In many cases, the knowledge of the ancestral history of one's family aids the deliverance minister and makes one's deliverance easy and very effective.

# CHAPTER ONE

## WITCHCRAFT MANIPULATIONS IN THE BIBLE

*Prov. 14:12: "There is a way which seemeth right unto a man, but the end thereof are the ways of death".*

To appreciate this admonition in Proverbs 14:12, it is necessary for us to study the lives of some of the notable characters we encounter in the Bible, and see how their personal desires and inclinations, as opposed to God's divine will, affected their destinies. One is also advised to watch out for the subtle finger prints of witchcraft in the lives concerned in this brief study.

## ABRAHAM, SARAH, HAGAR AND ISHMAEL

The subtle manipulations of Witchcraft thrived in these lives as we study their stories. They all had problems that needed immediate solutions, just as we have problems that cry for immediate solutions today.

Witchcraft is behind many problems, and thrives because of the ignorance of those involved. And because these people seek immediate solutions to their problems which they encounter in their day-to-day living, they unwittingly encounter this spirit, which is behind most solutions so many people receive outside God. It is this "temporary solutions" that eventually pave way for future chains of problems.

In Genesis chapter 12:1, God had called Abram and promised him a land which He was going to show him if Abram obeyed Him. Abram then left his father's house, and his country and began his journey. In verses 10-20 of the same chapter, Abram encountered a famine and sought for a solution. He therefore went down to Egypt where there was food, and probably better conditions of living.

Genesis chapter 13:1 records Abram's departure from Egypt. Abram went out of Egypt with all he had, plus the housemaid Mama Sarah had acquired in Egypt, by name Hagar. There was no danger sign when she had taken Hagar for a maid. The first sign of problem, though imperceptible, appeared in chapter 16. Sarah had found out that she could not bear a child for Abram, or so she thought. She therefore gave Hagar, her maid, to Abram for a wife.

Hagar conceived thereafter, and gave birth to a son called Ishmael. Readers of the Bible know that Ishmael's descendants are the Arabs, who dominate the Islamic world. Ishmael, today, is known as the father of the Islamic Religion. Also, in verse 12 of Genesis 16, the Lord had said that Ishmael will be a wild man and his hand would be against every man and every man's hand would be against him. Is this not the truth about the Moslems today? Does anyone need to be surprised why they are so aggressive and persecute the seed of Isaac, they Jews?

In the New Testament book of Galatians chapter 4:28, it was the way that seemed right to Abraham then that had plunged almost the whole world into great suffering and death. Generations that were unaware of the solution Abraham sought in Egypt have been affected and are still being affected, because Isaac's children came under that prophecy that Ishmael's children would oppress them, and that they would be in perpetual conflict.

Do you know that many people are suffering today because their great, great-grand parents got solutions from some strange powers, which now haunt and torment them? These people never meant to implicate their
